## UPCYCLED T-SHIRT TOYS FOR SHELTER DOGS

**STEP ONE:** Lay your t-shirt flat.

**STEP TWO:** Using scissors, carefully cut three-inch strips across the t-shirt, from side to side, up to the sleeves and collar of the t-shirt.

**STEP THREE:** Take six strips of fabric and tie them together in a big knot at one end.

**STEP FOUR:** Divide the six fabric strips into three sets with two fabric strips each. Braid the fabric strips together, leaving some room at the end of the braid.

**STEP FIVE:** Tie the end of the fabric strips into a big knot.

**STEP SIX:** Pull the two ends of the toy tightly at the knots to make sure it's secure!

**ALL DONE?** Drop off your dog-toy(s) to Second Chance Pet Adoptions on a Monday - Friday between 11 AM and 5 PM. The address is 6003 Chapel Hill Road, Suite 133, Raleigh NC 27607.
