

Operation Senior Smiles

Are you and your family feeling the need to help someone in your community?

Bring a smile to the face of an older adult or adult with a disability in Wake County by **creating a handmade card with a drawing, a positive message, a poem . . . really anything happy!** Older adults are scared and isolated during this pandemic. A few minutes of your time will make a huge difference in their day.

No special supplies necessary—use whatever you have around the house. Once your card(s) are finished, mail them to The Center for Volunteer Caregiving and our staff and volunteers will send them to the 450 people we are currently serving. If we get more than 450 cards, we will send them to Wake County nursing homes, assisted living facilities, rehabilitation centers, home health agencies, and other nonprofits serving older adults and adults with disabilities in our area.

Mail cards to:

We are a small nonprofit. If you can, please include a stamp or two in your envelope to help us cover the cost of mailing the handmade cards.

The Center for Volunteer Caregiving recruits and trains volunteers to provide friendly visits, grocery shopping, telephone reassurance calls, transportation, and caregiver respite for older adults and adults with disabilities in Wake County every day of the year. Our services are always free.

The Center has served Wake County for 28 years. As a 501(c)(3) nonprofit, all donations are tax-deductible to the extent allowed by law.

Many thanks to our community partner, Activate Good, for planting the seed for Operation Senior Smiles!
