## ROCK OUT & SPARK COMMUNITY CHANGE

Get ready to turn up the volume on kindness at Activate Good's second annual *Gig for Good*! Join us for an impactful night of music and meaningful impact (date TBA - depending on venue sponsor).

Featuring the electrifying sounds of local bands, this benefit concert is your chance to rock out with purpose. Every sponsorship helps fuel Activate Good's mission to connect Triangle volunteers with the local nonprofits that need them most.

### Why It Matters

The funds raised will directly support our work in empowering changemakers and providing vital hands-on assistance to community partners tackling some of our region's biggest challenges.

Whether it's supporting food security, education, housing, or health initiatives, the ripple effect of your night out will last long after the music fades.

### This isn't just a concert, it's a call to action.

Let's rock out *and* give back. Whether you're a longtime Activate Good supporter or just discovering us, *Gig for Good* is a chance to connect, celebrate, and create change.
